PRINCIPAL'S MESSAGE

You are invited to share once more the excitement and challenge of life at the Laboratory School. It is hoped that the brief moments you spend with this book will bring fond memory of the people and happenings that have made your years here a good experience.

Our school continues to be the outstanding one that its reputation holds it to be. This is true, to a large extent, because of the excellent students who live and work here. Thank you for your personal contribution to the high quality of our efforts.
